

The Emerald City Feis

The Baile Glas Irish Dancers and the Tara Academy of Irish Dancing are pleased to announce *The Emerald City Feis*, featuring a great weekend of Irish step dancing competitions to be held April 24, 25, 2010, in the Northwest Rooms at the Seattle Center.

The Emerald City Feis will be host to more than 500 dancers and their families from dancing schools throughout the Western United States and Canada. There will be two full days of beginner through championship level Irish step dancers competing to live music on four stages.

The Emerald City Feis is open to the public and similar events in the Pacific Northwest have had consistently high attendance. It is not unusual to have capacity crowds supporting the dancers throughout the competition weekend.

We are looking for your support of this event, and are offering several ways to be involved.
